

JEL Team Notes to Judge

- 1st division gets 1 “practice” over 2 poles before being judged – can post or be in 2 pt.
- 2nd division gets 2 min practice @ trot before judging begins in 1st class & 1 practice down long side @canter & 1 “practice” over 2 small Xs. Ask if 2 point over entire line is ok or post in between?
- 3rd division same as 2nd (Jumps are a little higher)
- 4th get 2 min practice each way before judging on flat begins – only canter 1 way - & get to jump 2 jumps on course for practice before jumping judged course
- 5th division same as 4th but canter both ways in flat class.
- Horse/rider combos may be unsuitable in terms of size, judge to overlook.
- Riding in school saddles, judge to overlook.
- When horse/rider combo is unsafe, coaches may agree to allow a change of horses with no penalty to rider or team.
- Riders in classes that canter in Div 3 – 5 should know leads & therefore try to correct wrong lead.
- Simple changes are allowed; no extra credit for flying changes.
- Keep flat classes short as horses have lots to do today!
