A. Participating Schools

- i. A "Participating School" or "Host School" is defined as an entity which has a regular lesson program with a sufficient number of school horses suitable for this level to run a meet.
- ii. A Participating school is not required to have access to an indoor ring.
- iii. A Participating school in JEL will compete with teams composed of up to 10 riders, 2 riders per division and designated as such at the beginning of the season. Riders will remain in the division in which they begin the season for the entire season.
- iv. Each participating school competes in 4 regular meets during the season between 10/1 and 2/28, one of which is hosted by that barn. A participating school may choose to defer serving as a host school for one year if such school has not been a member of JEL at any point during the past three seasons, however such school must be able to demonstrate suitability and commitment to conduct a JEL home meet the following year. The season ends in March with a Finale meet to which all barns bring their own horses to compete.
- v. Full payment of the season's league fees, the Finale deposit, and the administrative fee, must be submitted to the league Treasurer prior to the start of the season. The deadline for those payments will be provided by league administration at least two months prior to the start of the season. The participating school's roster including the name, address and phone number of each team member, as well as their signed Participation Agreement and Media Consent Form (which may be found on the ncelus.com website), shall be submitted to the league Administrator prior to the start of the season.
- vi. A rider who has not turned in a completed agreement or a team that has not paid their fees may not compete.
- vii. Participating schools may require a parent or guardian to complete a waiver of liability or release prior to a meet at such participating school. A rider may not be entitled to participate at a NCSSEL meet if the required liability forms or releases have not been complete.
- viii. Any team who decides not to participate after submitting all league fees shall be responsible for the registration fee, but the deposit and administrative fee will be refunded.
- ix. Each participating school must abide by the rules of JEL and must act professionally and respectfully at all JEL activities, shows and events.
- x. Any participating school may be suspended or expelled from active participation in JEL for just cause as determined by the prevailing standards and rules of JEL, which may, but need not, incorporate the standards and rules of other recognized equestrian associations, including but not limited to, the USEF, USDF, AQHA, NRHA, IHSA, IDA and the U.S. Center for SafeSport. Expulsion of a member can also be determined by a vote of at least two-thirds (2/3) of the Board of Directors, excluding the offending participating school. Written notice shall be given to the member in question ten (10) days in advance of such vote, stating the charges and inviting the member to provide a rebuttal. The Board of Directors shall determine the suspension and/or sanctions, if appropriate.
